

Guide to Google Classroom

What is Google Classroom?

Think of Google Classroom as your digital link to learning!

Teachers use Google Classroom to share assignments, homework, newsletters, and much more with students.

Getting Started

You are provided a secure login Username and Password that is unique to you.

Getting Started

1

Click on the
**Google
Chrome**
browser icon.

Getting Started

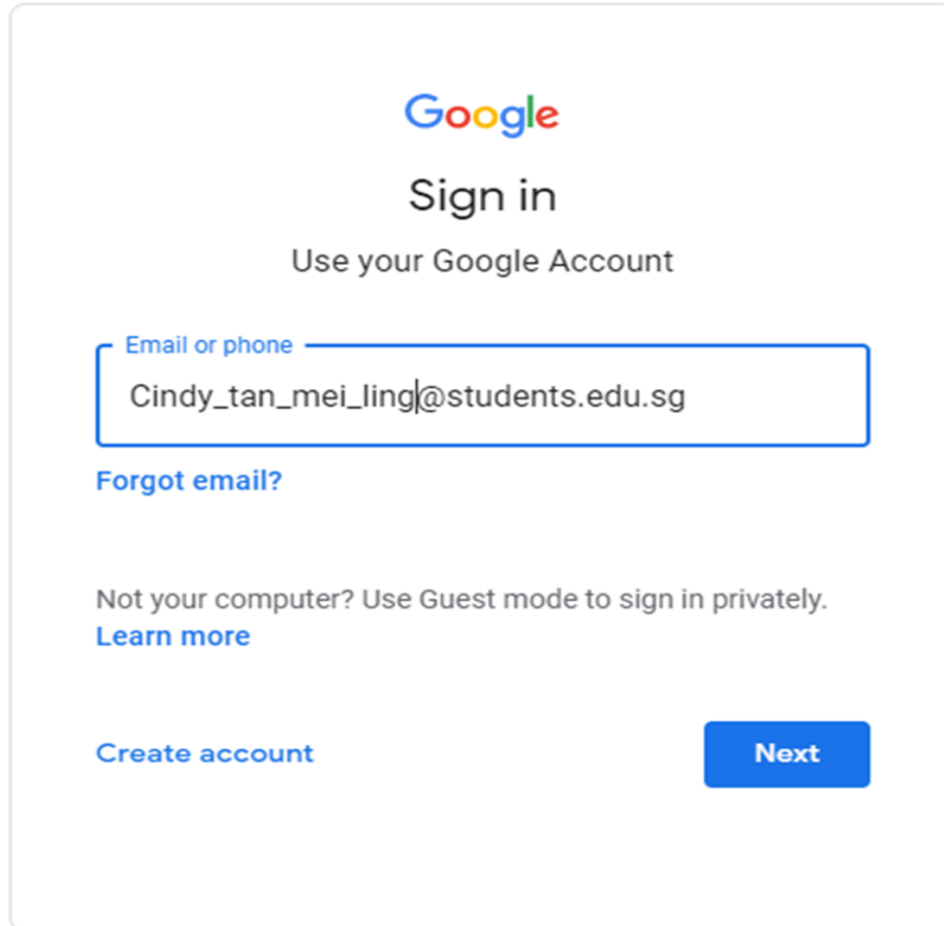

2

Type

<https://workspace.google.com/dashboard> to
your web address bar.

Viewing and Accessing Homework

Class

Join a class with
a class code

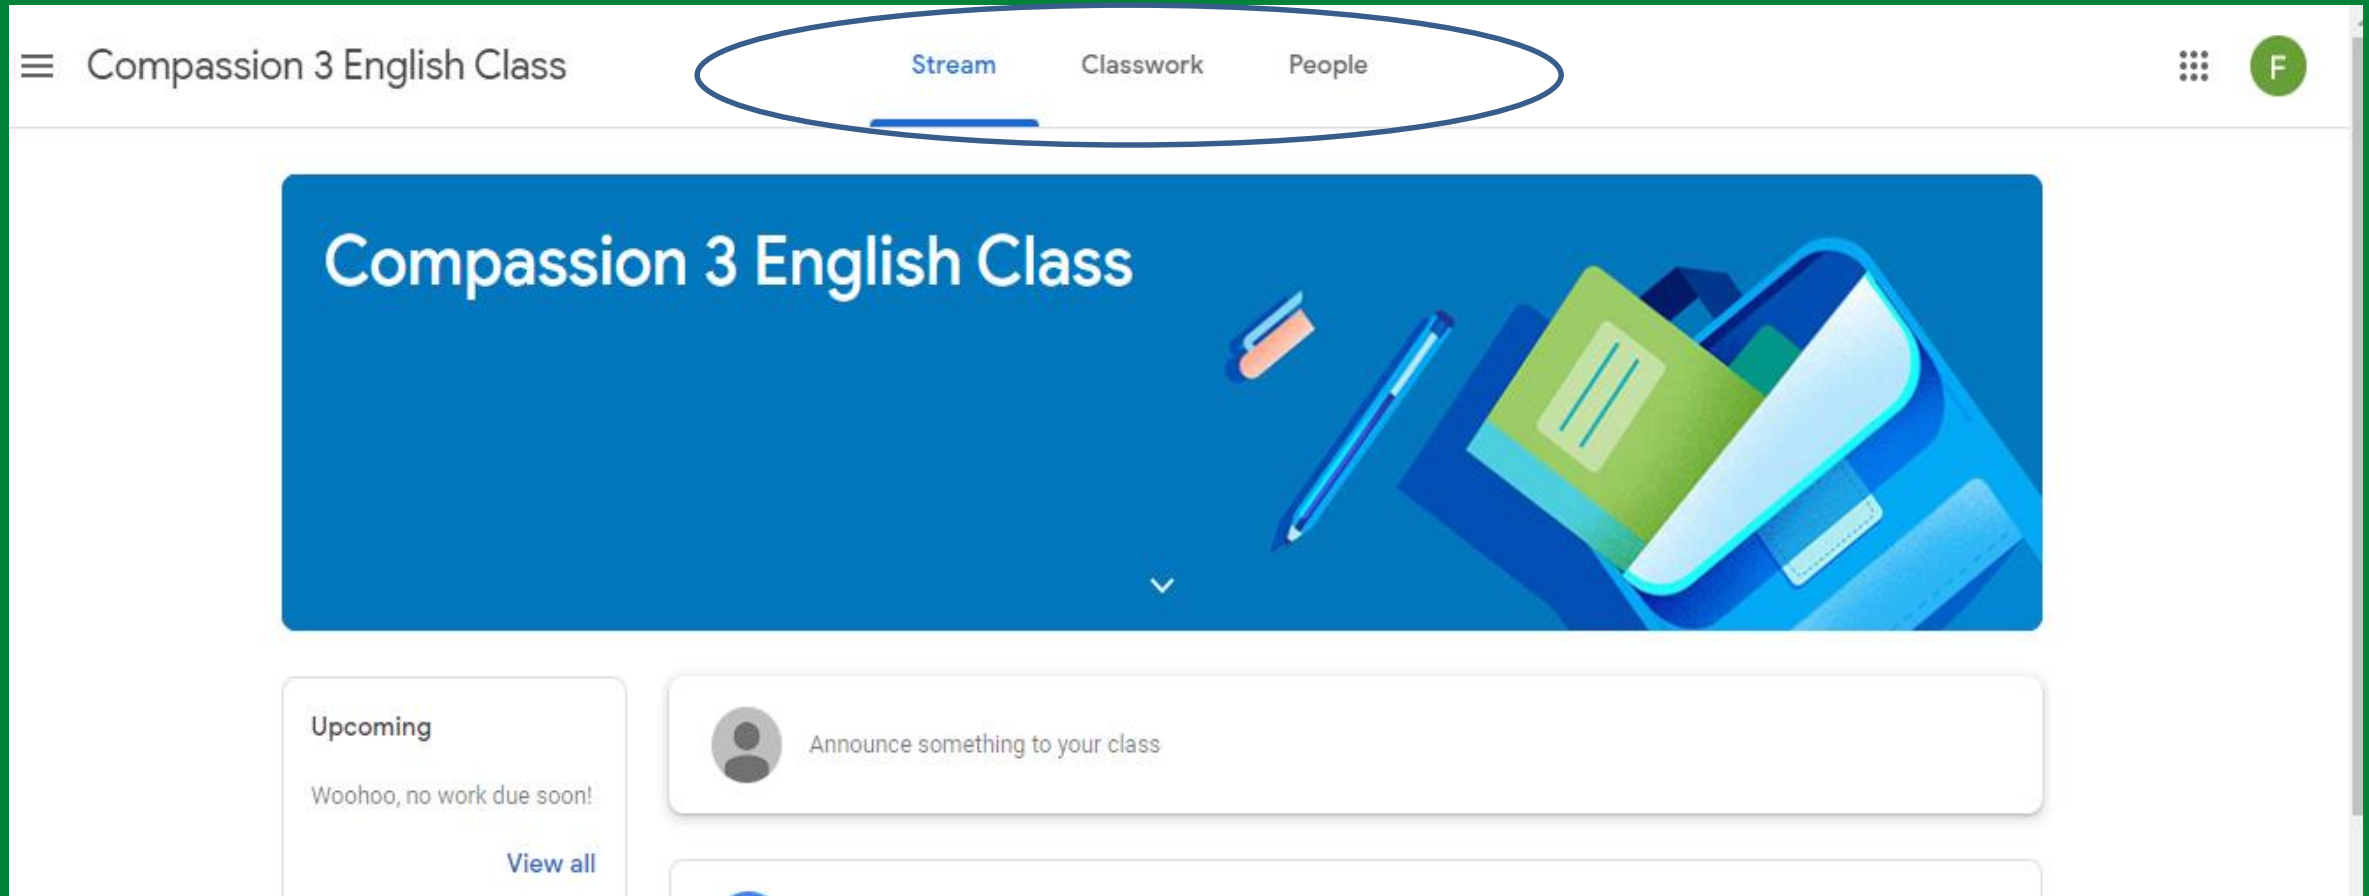

Teacher's
name

Classwork

Class files

To view homework or tasks set, **click on the class** that they wish to view or **access with a class code** (provided by the teacher).

Viewing and Accessing Homework

Having clicked on the appropriate classroom, you will be in a Google Classroom. Here, they will have three tabs in front of them - "Stream", "Classwork" and "People".

Viewing and Accessing Homework

The Stream page: Shows all the class activity, including upcoming assignments that are due and any recent posts from the teacher or other students.

The Classwork page: Where you go to view and complete any assignments for the class.

The People page: Shows your teacher and a list of all your classmates.

The "Stream" Page

- The stream works similarly to a **social network page**.
- The **most recent post** that a teacher has added to the Google Classroom will be **at the top** and the **oldest will be at the bottom**.
- Each post will be associated with the subject that you are learning with that teacher.
- It contains the **name of the task**, a **description of what the student has to do** and relevant **resources**.
- It will also have a **due date** for when the work needs to be completed by.
- You will be **guided by your teacher** on whether you **complete your work online** using Google Classroom or **offline in another way**.

Completing/Submitting Work Online

- If you have to complete their work online, you will need to **click on the name of the assignment** followed by **"Add +"** on the right column of the screen.
- A **drop-down menu** will appear where you can choose to create a Google document or **upload a file from their computer** or **your online storage Google Drive**.

Compassion 3 English Class

First Assignment
Hui Miang Lau • May 14
100 points

These are some revisions for your Language Review next Tuesday for spelling.

Completing/Submitting Work Online

- Having added your chosen document, it will appear in the white box just above the "Add +" button.

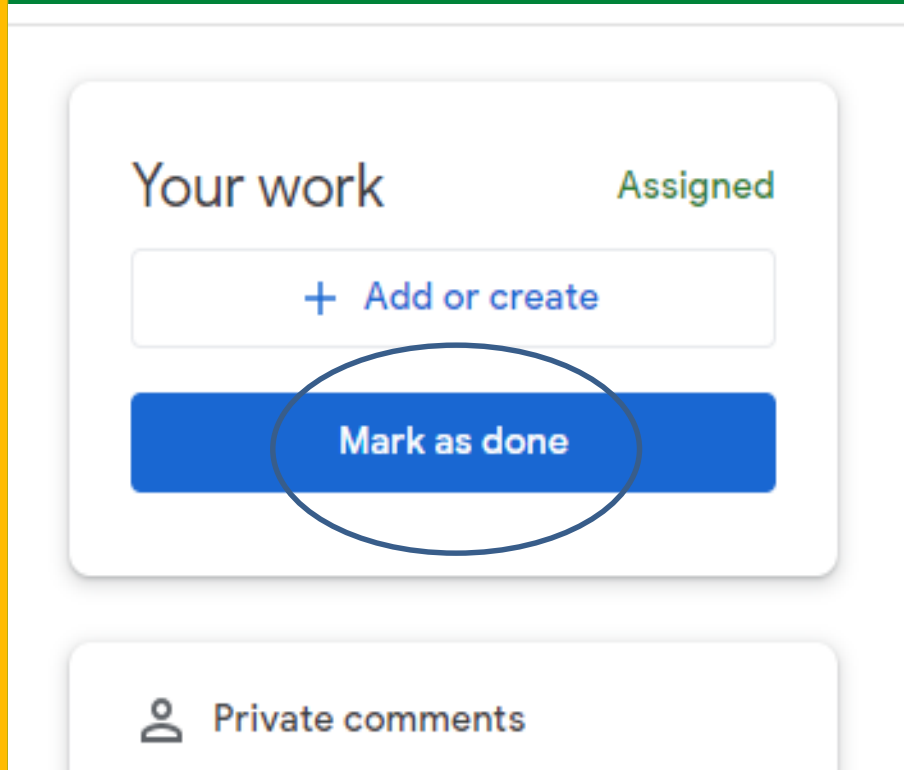

The screenshot displays a user interface for submitting work. At the top, there are two tabs: "Your work" and "Assigned". Below the "Your work" tab, a document titled "Student iCON On..." is shown as a PDF with a thumbnail image of a person working. To the right of the document title is a close button (X). Below the document list is a button labeled "+ Add or create". At the bottom of the submission area is a prominent blue button labeled "Turn in". Below this section, there is a "Private comments" section with a person icon and the text "Add comment to Hui Miang Lau".

Completing/Submitting Work Online

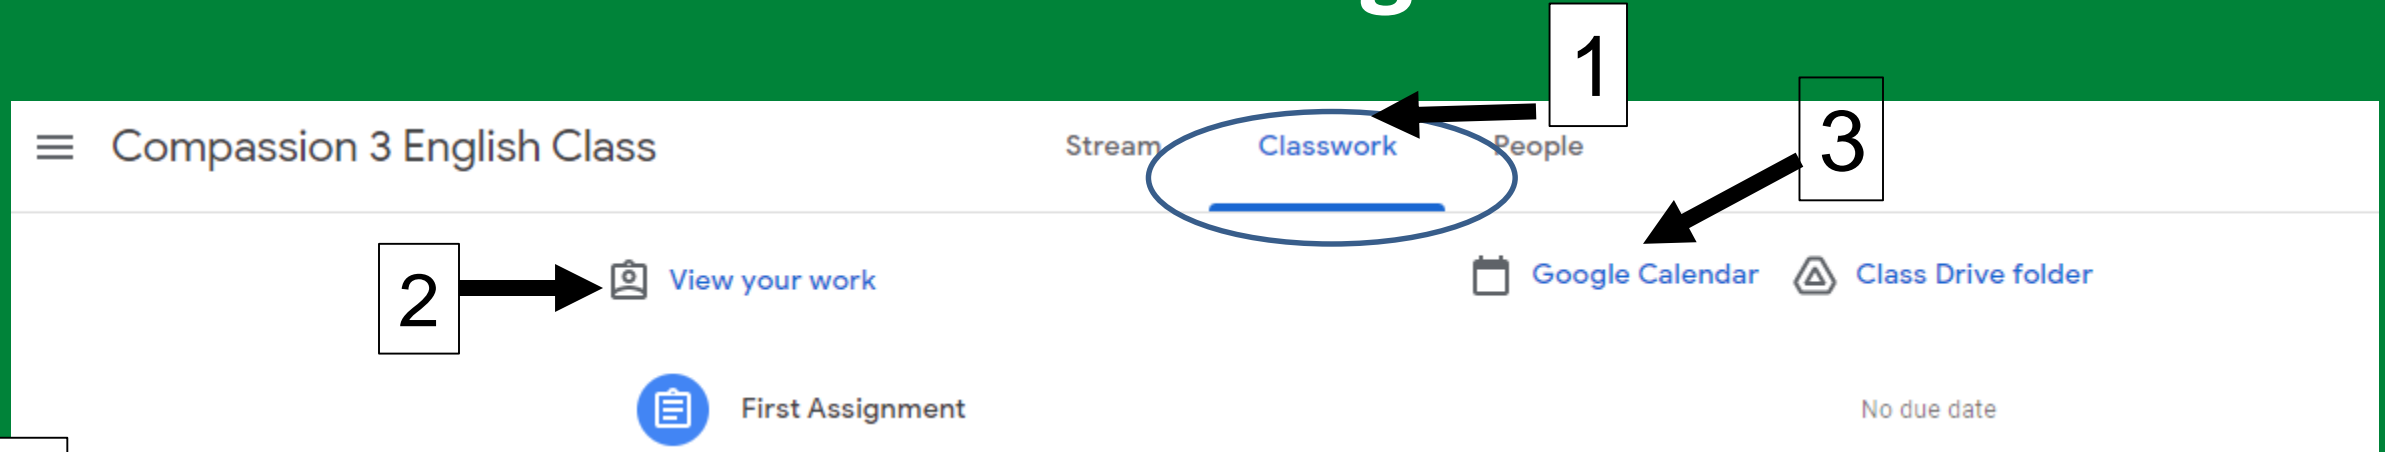

- If you choose to create new document from the "Create new" section, simply click on the file and then start work.
- The file will open in a separate tab and will save automatically until closed.
- You can go back to this document to work on it as many times as they wish until they need to submit it.
- After completion, press the "Turn in" button.

Completing/Submitting Work Offline

- If the teacher has assigned a collaborative Google file such as Google Slides, Sheets or Doc (you can edit the file), or other outside types of assignment, you will see a **Mark As Done** button instead of Turn In.

Classwork Page

1 You can also see a list of their assignments for ALL your classes by navigating to the **Classwork** page.

2 Click on “**View your work**” to check the status of your individual assignments.

3 **Google Calendar** makes it easy for you to see assignment due dates and more in one location. Each assignment or discussion question with a due date will automatically be added to that class’s Google Calendar.

Class Drive Folder

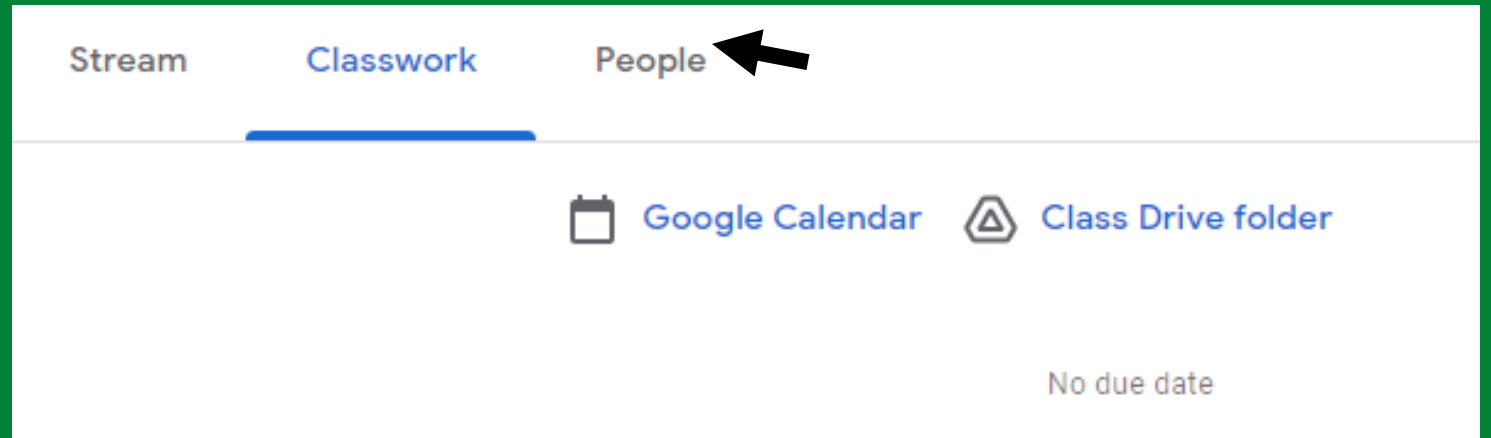

The screenshot shows the Google Classroom interface for a class named "Compassion 3 English Class". The "Classwork" tab is selected. At the top right, there are links for "View your work", "Google Calendar", and "Class Drive folder". Below this, there is a "First Assignment" button. The Google Drive sidebar is visible on the left, showing the path: My Drive > Classroom > Compassion 3 English Class. The main content area shows a file preview for "Student iCON Onboardi..." with a PDF icon. Three black arrows point from the text on the right to the "Class Drive folder" link, the "Classroom" folder in the path, and the file preview.

Inside your Google Drive, you will find one master folder titled **“Classroom.”**

→ Inside the master Classroom folder is **a subfolder for each class** you have joined.

◆ Inside each class folder you will also **find other various files and folders** depending on what your teacher has added to your assignments.

People Page

Google Classroom

You will be able to see **all of teachers and your classmates** in your class.
